My Cruise Club HAS no price list! As you will find, all the agencies listed have the exact same price as the cruise lines directly, PLUS they charge an additional processing fee AND have extra cancellation penalties! Our pricing is simple. When you book with us, you pay whatever the cruise line quotes you (or any agency listed above and most others!) LESS 6%! So you ALWAYS SAVE when you book with us! Plus, we have NO FEES, NO cancellation penalties and you STILL pay the cruise line directly!
